Neuro
endocrinology

No. 1

Gonadal Steroids: Central Effects and Neurotransmitter Regulation

1 **Regulation by Gonadal Steroids of the mRNA Encoding for a Type I Receptor for TGF-β in the Female Rat Hypothalamus**
Bouret, S.; Prevot, V. (Lille); Takumi, T. (Osaka); Beauvillain, J.-C.; Mitchell, V. (Lille)

8 **Regulation of Expression of Somatostatin Genes by Sex Steroid Hormones in Goldfish Forebrain**
Canosa, L.F.; Lin, X.; Peter, R.E. (Edmonton)

18 **Androgen Effects on Tyrosine Hydroxylase Cells in the Northern Leopard Frog, *Rana pipiens***
Chu, J. (Corvallis, Oreg.); Wilczynski, W. (Austin, Tex.)

28 **5-HT_{2A} and 5-HT_{2C} Serotonin Receptors Differentially Modulate Mouse Sexual Arousal and the Hypothalamo-Pituitary-Testicular Response to the Presence of a Female**
Popova, N.K.; Amstislavskaya, T.G. (Novosibirsk)

35 **Interactions between Testicular Serotoninergic, Catecholaminergic, and Corticotropin-Releasing Hormone Systems Modulating cAMP and Testosterone Production in the Golden Hamster**
Frungieri, M.B.; Zitta, K.; Pignataro, O.P.; Gonzalez-Calvar, S.I. (Buenos Aires); Calandra, R.S. (Buenos Aires/La Plata)

Corticotropin-Releasing Hormone and Opiate Peptides

47 **Effect of Antalarmin, a Novel Corticotropin-Releasing Hormone Antagonist, on the Dynamic Function of the Preterm Ovine Fetal Hypothalamo-Pituitary-Adrenal Axis**
Young, I.R. (Clayton); Chan, E.C.; Smith, R. (Newcastle); Chrousos, G.P. (Bethesda, Md.); Veldhuis, J.D. (Charlottesville, Va.); Canny, B.J. (Clayton)

55 **Identification of a Fourth Opioid Core Sequence in a Prodynorphin cDNA Cloned from the Brain of the Amphibian, *Bufo marinus*: Deciphering the Evolution of Prodynorphin and Proenkephalin**
Danielson, P.; Walker, D. (Denver, Colo.); Alrubaian, J. (Kuwait City); Dores, R.M. (Denver, Colo.)

No. 2

Regulation of Corticotropin and Adrenal Steroids

63 **The Amygdala Regulates the Pituitary-Adrenocortical Response and Release of Hypothalamic Serotonin following Electrical Stimulation of the Dorsal Raphe Nucleus in the Rat**
Weidenfeld, J.; Newman, M.E.; Itzik, A.; Gur, E.; Feldman, S. (Jerusalem)

70 **Prolactin-Releasing Peptide Releases Corticotropin-Releasing Hormone and Increases Plasma Adrenocorticotropin via the Paraventricular Nucleus of the Hypothalamus**
Seal, L.J.; Small, C.J.; Dhillo, W.S.; Kennedy, A.R.; Ghatei, M.A.; Bloom, S.R. (London)

79 **Adrenal Splanchnic Innervation Modulates Adrenal Cortical Responses to Dehydration Stress in Rats**
Ulrich-Lai, Y.M.; Engeland, W.C. (Minneapolis, Minn.)

Regulation of Growth Hormone

93 **Hypothalamic Somatostatin and Growth Hormone-Releasing Hormone mRNA Expression Depend upon $GABA_A$ Receptor Expression in the Developing Mouse**
Pannell, C.; Simonian, S.X. (Cambridge); Gillies, G.E. (London); Luscher, B. (University Park, Pa.); Herbison, A.E. (Cambridge)

99 **Inhibitory Control of Growth Hormone Secretion by Somatostatin in Rat Pituitary GC Cells: sst_2 but Not sst_1 Receptors Are Coupled to Inhibition of Single-Cell Intracellular Free Calcium Concentrations**
Cervia, D.; Petrucci, C. (Pisa); Bluet-Pajot, M.T.; Epelbaum, J. (Paris); Bagnoli, P. (Pisa)

Regulation of Hypothalamic Cells

111 **Sustained Increases in Activating Transcription Factor-2 and Activator Protein-2 in the Rat Supraoptic Nucleus during Water Deprivation**
Meeker, R.B.; Fernandes, A. (Chapel Hill, N.C.)

121 **Aging and Increased Hypothalamic Glial Fibrillary Acid Protein (GFAP) mRNA in F344 Female Rats.** Dissociation of GFAP Inducibility from the Luteinizing Hormone Surge
Anderson, C.P.; Rozovsky, I. (Los Angeles, Calif.); Stone, D.J. (Branford, Conn.); Song, Y.; Lopez, L.M.; Finch, C.E. (Los Angeles, Calif.)

No. 3

Conference Report

131 **Weight in the Balance**
Altman, J. (Todmorden)

Corticotropin and Adrenal Steroid Feedback

137 **Increased Angiotensin II AT_1 Receptor Expression in Paraventricular Nucleus and Hypothalamic-Pituitary-Adrenal Axis Stimulation in AT_2 Receptor Gene Disrupted Mice**
Armando, I.; Terrón, J.A.; Falcón-Neri, A.; Takeshi, I.; Häuser, W. (Bethesda, Md.); Inagami, T. (Nashville, Tenn.); Saavedra, J.M. (Bethesda, Md.)

148 **Chronic Hypercortisolemia Inhibits Dopamine Synthesis and Turnover in the Nucleus accumbens: An in vivo Microdialysis Study**
Pacak, K.; Tjurmina, O. (Bethesda, Md.); Palkovits, M. (Bethesda, Md./Budapest); Goldstein, D.S.; Koch, C.A. (Bethesda, Md.); Hoff, T. (Berlin); Chrousos, G.P. (Bethesda, Md.)

158 **Enhanced Glucocorticoid Feedback Inhibition of Hypothalamo-Pituitary-Adrenal Responses to Stress in Adult Rats Neonatally Treated with Dexamethasone**
Kamphuis, P.J.G.H.; Bakker, J.M.; Broekhoven, M.H.; Kunne, C.; Croiset, G. (Utrecht); Lentjes, E.G. (Leiden); Tilders, F.J.H. (Amsterdam); van Bel, F.; Wiegant, V.M. (Utrecht)

Regulation of Growth Hormone

170 **An Autocrine Role for Pituitary GABA: Activation of GABA-B Receptors and Regulation of Growth Hormone Levels**
Gamel-Didelon, K. (München); Corsi, C.; Pepeu, G. (Firenze); Jung, H. (Bad Homburg); Gratzl, M.; Mayerhofer, A. (München)

Neuroimmune Interactions

178 **Splenic Denervation Blocks Leptin-Induced Enhancement of Humoral Immunity in Siberian Hamsters *(Phodopus sungorus)***
Demas, G.E. (Bloomington, Ind.)

185 **Maternal Adrenalectomy Abrogates the Effect of Fetal Alcohol Exposure on the Interleukin-1β-Induced Febrile Response: Gender Differences**
Taylor, A.N.; Tritt, S.H.; Tio, D.L.; Romeo, H.E. (Los Angeles, Calif.); Yirmiya, R. (Jerusalem)

No. 4

Central Effects of Estrogens and Reproductive Neuroendocrinology

193 **Role of Gamma-Aminobutyric Acid Neurons in the Release of Gonadotropin-Releasing Hormone in Cultured Rat Embryonic Olfactory Placodes**
Funabashi, T.; Daikoku, S.; Suyama, K.; Mitsushima, D.; Sano, A.; Kimura, F. (Yokohama)

203 **Tamoxifen but Not Other Selective Estrogen Receptor Modulators Antagonizes Estrogen Actions on Luteinizing Hormone Secretion while Inducing Gonadotropin-Releasing Hormone Self-Priming in the Rat**
Sánchez-Criado, J.E. (Córdoba); Guelmes, P. (La Laguna); Bellido, C. (Córdoba); Gónzalez, M.; Hernández, G. (La Laguna); Aguilar, R.; Garrido-Gracia, J.C. (Córdoba); Bello, A.R.; Alonso, R. (La Laguna)

214 **Estrogenic Properties of Raloxifene, but Not Tamoxifen, on D_2 and D_3 Dopamine Receptors in the Rat Forebrain**
Landry, M.; Lévesque, D.; DiPaolo, T. (Sainte-Foy)

223 **Effects of 17β-Estradiol and Xenoestrogens on the Neuronal Survival in an Organotypic Hippocampal Culture**
Sato, K.; Matsuki, N.; Ohno, Y.; Nakazawa, K. (Tokyo)

235 **Estrogen Modulation of Mu-Opioid Receptor-Stimulated [^{35}S]-GTP-Gamma-S Binding in Female Rat Brain Visualized by in vitro Autoradiography**
Acosta-Martinez, M.; Etgen, A.M. (Bronx, N.Y.)

Dehydration and Osmotic Challenges

243 **Altered Control of the Hypothalamo-Pituitary-Adrenal Axis in Adult Male Rats Exposed Perinatally to Food Deprivation and/or Dehydration**
Sebaai, N. (Villeneuve d'Ascq/Fés-Atlas); Lesage, J.; Vieau, D. (Villeneuve d'Ascq); Alaoui, A. (Fés-Atlas); Dupouy, J.P.; Deloof, S. (Villeneuve d'Ascq)

254 **Increased Expression of Tyrosine Hydroxylase Immunoreactivity in Paraventricular and Supraoptic Neurons in Illnesses with Prolonged Osmotic or Nonosmotic Stimulation of Vasopressin Release**
Panayotacopoulou, M.T.; Malidelis, Y.I. (Athens); Fliers, E. (Amsterdam); Bouras, C. (Geneva); Ravid, R.; Swaab, D.F. (Amsterdam)

No. 5

Rapid Communication

267 **Participation of the 26S Proteasome in the Regulation of Progesterone Receptor Concentrations in the Rat Brain**
Camacho-Arroyo, I.; Villamar-Cruz, O.; González-Arenas, A.; Guerra-Araiza, C. (México, D.F.)

Reproductive Neuroendocrinology

272 **Proestrous Surge of Gonadotropin-Releasing Hormone Secretion Inhibits Apoptosis of Anterior Pituitary Cells in Cycling Female Rats**
Yin, P.; Arita, J. (Yamanashi)

283 **Role of the Progesterone Receptor in Restrained Glutamic Acid Decarboxylase Gene Expression in the Hypothalamus during the Preovulatory Luteinizing Hormone Surge**
Brann, D.W.; Unda, R.; Mahesh, V.B. (Augusta, Ga.)

290 **Profiles of in vivo Gamma-Aminobutyric Acid Release in the Medial Preoptic Area of Intact and Castrated Male Rats**
Tin-Tin-Win-Shwe; Mitsushima, D.; Kimura, F. (Yokohama)

297 **Steroid Receptor Coactivator SRC-1 Exhibits High Expression in Steroid-Sensitive Brain Areas Regulating Reproductive Behaviors in the Quail Brain**
Charlier, T.D.; Lakaye, B. (Liège); Ball, G.F. (Baltimore, Md.); Balthazart, J. (Liège)

Regulation of Growth Hormone

316 **The Hypothalamic Mechanisms of the Hypophysiotropic Action of Ghrelin**
Wren, A.M.; Small, C.J.; Fribbens, C.V.; Neary, N.M.; Ward, H.L.; Seal, L.J.; Ghatei, M.A.; Bloom, S.R. (London)

325 **Regulation of Growth Hormone Release in Common Carp Pituitary Cells by Pituitary Adenylate Cyclase-Activating Polypeptide: Signal Transduction Involves cAMP- and Calcium-Dependent Mechanisms**
Xiao, D. (Hong Kong/Guangzhou); Chu, M.M.S.; Lee, E.K.Y. (Hong Kong); Lin, H.-R. (Guangzhou); Wong, A.O.L. (Hong Kong)

No. 6

Central Effects of Peripheral Hormones

339 **Rapid Uncoupling of Serotonin-1A Receptors in Rat Hippocampus by 17β-Estradiol in vitro Requires Protein Kinases A and C**
Mize, A.L.; Alper, R.H. (Kansas City,Kans.)

348 **Ovariectomy-Induced Increases in Hypothalamic Serotonin–1A Receptor Function in Rats Are Prevented by Estradiol**
Raap, D.K.; DonCarlos, L.L.; Garcia, F.; Zhang, Y.; Muma, N.A.; Battaglia, G.; Van de Kar, L.D. (Maywood, Ill.)

357 **Effect of Centrally Administered Insulin on Gonadotropin-Releasing Hormone Neuron Activity and Luteinizing Hormone Surge in the Diabetic Female Rat**
Kovacs, P. (Bronx, N.Y.); Parlow, A.F. (Torrance, Calif.); Karkanias, G.B. (Bronx, N.Y.)

366 **Persistently High Corticosterone Levels but Not Normal Circadian Fluctuations of the Hormone Affect Cell Proliferation in the Adult Rat Dentate Gyrus**
Ambrogini, P.; Orsini, L.; Mancini, C.; Ferri, P. (Urbino); Barbanti, I. (Pesaro); Cuppini, R. (Urbino)

Gender Differences in Stress Management

373 **Noradrenaline, but Not Neuropeptide Y, Is Elevated in Cerebrospinal Fluid from the Third Cerebral Ventricle following Audiovisual Stress in Gonadectomised Rams and Ewes**
Turner, A.I.; Rivalland, E.T.A.; Clarke, I.J. (Clayton); Lambert, G.W. (Prahran); Morris, M.J. (Melbourne); Tilbrook, A.J. (Clayton)

381 **Gender Comparisons of Control of Breathing and Metabolism in Conscious Mice Exposed to Cold**
Schlenker, E.H.; Hansen, S.N. (Vermillion, S.Dak.); Pfaff, D.W. (New York, N.Y.)

Clinical Neuroendocrinology

390 **Ghrelin Is No Longer Able to Stimulate Growth Hormone Secretion in Patients with Cushing's Syndrome but Instead Induces Exaggerated Corticotropin and Cortisol Responses**
Leal-Cerro, A. (Sevilla); Torres, E. (Granada); Soto, A.; Dios, E. (Sevilla); Deghenghi, R. (Argenteuil); Arvat, E.; Ghigo, E. (Turin); Dieguez, C.; Casanueva, F.F. (Santiago de Compostela)

397 **Author Index Vol. 76, 2002**

398 **Subject Index Vol. 76, 2002**
